AFFIDAVIT IN SUPPORT

The underlined statements are true, complete and correct to the best of my knowledge and ability. On 9-10-2007, 11-5-2007,
11-20-2007, 11-21-2007, a

Hearing was requested by third party intervenor Barry Dean Bischof (1) on behalf of and for BARRY DEAN BISCHOF (2) and was denied in court. This has placed this court and the U.S. Attorney in dishonor. At this time I will afford this court and the U.S. Attorney the opportunity to cure the dishonor by requesting a Bond Hearing for yet another time and restate my offer as presented in the first requests. That states:

Barry Dean Bischof (1) Third Party Intervenor / Offerer for _____
BARRY DEAN BISCHOF (2) and does hereby accept for value and return the same for said bond and offers as terms and conditions, my personal recognizance in "exchange" for the waiver of the public filing fee for said bond.

Upon acceptance of this offer I do not anticipate contesting any of the facts in the charging instrument, should you elect to accept my offer I request the court accept my exemption in "exchange" for the discharge of the bond to me, with the offer accepted, I will then enter a plea of guilty to the facts in this matter and request the court settle and close the accounting on all sides and Barry Dean Bischof (1) be released/ set off.
